CONSERVATION COMMISSION

Outreach (Minidoka CD)

Program	District Capacity Building Assistance (ISWCC)
Lead Implementer	Idaho Soil and Water Conservation Commission
Other Organizations	Minidoka Conservation District, University of Idaho Extension
Project Primary Contact	Carolyn Firth (carolyn.firth@swc.idaho.gov)
Project Stage	Implementation
Duration	2020 - 2021

Conservation Support ➤ District Capacity Building Assistance (ISWCC)

The Minidoka SWCD is working with students at Minico High School to produce an advertisement geared towards homeowners and small acreage owners in the urban setting to raise awareness of the potential risks to ground water and surface water associated with misuse or overuse of chemicals and fertilizers applied to lawns, gardens, and small pastures. The advertisement will be aired on the local television station, as well as on YouTube and social media. The district is seeking funding from a NACD grant to help pay for the television air time.

Tracker tells stories at a broad-brush level. Individual project performance measures and expenditures should not be relied upon for complete and total accuracy and should be confirmed with a project's lead implementer. Project locations subject to confidentiality provisions under state and federal law specify the location of a local conservation district or USDA service center office.
